

# PE

## Intent

At Nevill Road Infant School, we value PE as a creative and enjoyable part of our broad and balanced school curriculum. We believe that it should be fully inclusive to every child, offering opportunities for challenge and participation. Our aim is to motivate the children to explore of sports and physical activities as well as their own sporting interests. The children will be provided with many opportunities to explore a range of sports and physical activities, which will develop both their physical and social skills.

## Implementation

At Nevill Road Infant School, we aim to do M-O-R-E:

- **MOTIVATE** by exposing our children to a wide range of sports and activities, building in them an enthusiasm to participate in sport and physical activity.
- **OPEN MINDS** by teaching within the context of our vibrant, bold topics throughout the school, our children will be immersed in a progressive and stimulating PE curriculum. This will be centred on the knowledge and skills embedded within the National Curriculum.
- **REACH further** by introducing our children to a wealth of sports and physical activities, children will have many opportunities to work collaboratively, express their imagination and creativity and develop their physical and communication skills.
- **EQUIP** our children with the knowledge, skills and resources to allow them to challenge themselves to lead active and healthy lives.

## Impact

Our children will reach the end of their journey at Nevill Road Infant School with a firmly-established love of PE. They will have amassed an impressive collection of cross-curricular, creative outcomes and an awareness and knowledge of a variety of skills. They will be confident in evaluating and improving their work and unafraid of trying out new and bold ideas. Our school displays and sporting events will reflect these creative outcomes and also, the children's sense of pride in their achievements across the school.
